Head Sommelier Thomas Cooper

# About Us

We are proud that Penmaenuchaf has been awarded many wine awards over the years and we aim to build on its hard earned reputation as a wine lovers destination in the years to come.

Our Head Sommelier, Thomas Cooper aims to create a diverse and exciting balance between the old world and the new with an ever changing, menu focused selection. However, we make no apologies for his passion for French and Italian wine which is so clearly such a big part of the wine list. Thomas is also a huge supporter of the British wine industry and excited about the outstanding quality of wines being and so expect to find a growing selection of wines produced on these shores.

We feel blessed to have Thomas as a pivotal member of the team here at Penmaenuchaf who proudly holds a diploma in wine. Thomas is currently studying for his master of wine examinations, and we wish him the best of luck with his ongoing studies to achieve his professional goal.

Billecart-Salmon has always been a firm favourite of ours here at Penmaenuchaf and so we proudly present them as our house Champagne.

Established in 1818 by Nicolas-Francois Billecart, the house today is run by the 6th generation of the Billecart-Salmon family, making it one of the few remaining champagne houses to be owned by the original family.

With a small estate of 100 hectares, Billecart-Salmon pride themselves on combining the best traditions with modern vinification methods to create wines with rare complexity and stunning freshness.
