Wine List

About Us

We are proud that Penmaenuchaf has been awarded many wine awards over the years and we aim to build on its well-earned reputation as a wine lover's destination in the years to come.

We aim to create a diverse and exciting balance between the old world and the new with an ever changing, menu focused selection. However, we make no apologies for our passion for French and Italian wine which is so clearly such a big part of the wine list. We are also huge supporters of the British wine industry and excited about the outstanding quality of wines being produced, so you can expect to find a growing selection of wines produced on these shores.

Billecart-Salmon have always been a firm favourite of ours here at Penmaenuchaf and so we proudly present them as our house Champagne.

Established in 1818 by Nicolas-Francois Billecart, the house today is run by the seventh generation of the Billecart-Salmon family, making it one of the few remaining Champagne houses to be owned by the original family.

With a small estate of 100 hectares, Billecart-Salmon pride themselves on combining the best traditions with modern vinification methods to create wines with rare complexity and stunning freshness.
