Wine List

About Us

We are proud that Penmaenuchaf has been awarded many wine awards over the years and we aim to build on its well-earned reputation as a wine lover's destination in the years to come.

We aim to create a diverse and exciting balance between the old world and the new with an ever changing, menu focused selection. However, we make no apologies for our passion for French and Italian wine which is so clearly such a big part of the wine list. We are also huge supporters of the British wine industry and excited about the outstanding quality of wines being produced, so you can expect to find a growing selection of wines produced on these shores.
