PENMAENUCHAF

Perched high above the Mawddach estuary at the foot of the rugged Cadair Idris, you'll find our stone-fronted Penmaenuchaf.

Inspired by the dramatic ancient landscape of Eryri (Snowdonia) National Park, this grand old house has its own beautiful history, and each room has its own unique and characterful appeal.

Adventure abounds in this land of longing, rich in tales of Welsh myth and legend as fantastical as the scenery in front of you.

Step away from the ordinary and into the enchantment of North Wales. As you approach our grand country house set amongst breathtaking landscapes, be prepared for heartfelt greetings and a dedication to exquisite event hosting. Our venue offers a blend of classic elegance and contemporary charm, ensuring your special day is truly unforgettable.

Choose our mountain estate as the backdrop for your dream wedding or momentous occasion, where every moment becomes a cherished memory.
