Fireside festivities in the mountains

CHRISTMAS PARTY BROCHURE 2026

As winter settles over the mountains and frost glistens in the valley, Penmaenuchaf becomes a haven of warmth, welcome, and seasonal cheer. There's something magical about this time of year, the hush of the landscape, the glow of candlelight, and the feeling of coming in from the cold to be with those who matter most.

Step inside and leave the chill behind. With fires crackling, mulled wine flowing, and the scent of something delicious in the air, we invite you to slow down and savour the season. Whether you're joining us for a joyful get-together, a Christmas escape filled with feasting, or a sparkling New Year celebration, every moment is made to feel special.

Penmaenuchaf is where timeless traditions meet thoughtful touches. A home from home in the Welsh mountains, where the pace is slower, the food more indulgent, and the company full of heart. Come for the comfort, the connection, and the sheer joy of celebrating the season in one of Wales's most beautiful corners.

Let the lights twinkle, the fire crackle, and the festive spirit flow!
